# About Technotax Taxation & Accounting

Technotax is FTA (Federal Tax Authority) approved tax agency that provides tax (Direct & Indirect), accounting, auditing, management and business consultancy services.

# Company Purpose

Our unique combination of consulting, knowledge, assurance and regulatory services makes organizations more resilient, and in turn inspires trust in their products, systems, services, and the world we live in.

Our Purpose: to inspire trust for a more resilient world.

# Company Vision

To nurture a professional tax agency of repute which is competitive, dynamic in the areas of its operation, providing the best opportunity to progress and grow to all those who are associated with it and also serving the best interests of the clients.

We visualize to become leader for all tax related matters, financial management, assurance and other specialized services.

# Company Mission

Our mission is to provide exceptional tax, financial management, assurance and other specialized consultancy services to our clients by leveraging our expertise, knowledge and experience.

Our Tax Agency is dedicated to staying up-to-date with latest tax laws and regulations to ensure our accurate and reliable advice. We are passionate to provide our clients with guidance and support they need to succeed.
